COVID-19 CORONAVIRUS

Revised Hotel Guidelines &
Procedures
June 25th 2020

Prior to travelling... self check list

For the safety of our staff and other hotel guests we would ask you **not** to travel if you have any of the following symptoms or if you fall into any of the high risk categories.

Healthcare

Self check list...

When to avoid un-necessary journeys

- If you have been in **close contact with a confirmed case** of coronavirus in the last 14 days
- If you have a **temperature of 38°C or higher** and suffer with any of the following symptoms
 - ongoing coughing
 - difficulty breathing
 - ongoing diarrhoea
 - ongoing vomiting
 - skin rash
 - bruising or bleeding without injury
 - looking obviously unwell
 - confusion.
- **if you have been overseas** in the last 14 days (you must self-isolate for the next 14 days).

Ten Point action plan we have implemented

Wash Hands

1. Covid-19 induction training delivered to all team members.
2. All staff will adhere to our physical distance.
3. Social distancing policy in place.
4. Cleaning carried out with certified cleaning products.
5. PPE in use where required by staff members.
6. No contact room service delivery is in place.
7. Revised menus and Safe Dining are in place
8. Hand sanitizer stations available throughout the Hotel.
9. Updated cleaning & sanitization programme in all areas of Hotel
10. Rooms only serviced on departure to minimize contact during your stay

Ten points for guests to remember...

1. Wash hands & use hand sanitizer frequently.
2. Maintain your physical distance.
3. Limit group sizes to reflect guidelines.
4. We ask where possible, do not use the lift.
5. Stay within your own family/household group.
6. Stay at home if you display any flu like symptoms.
7. Clean & sanitize your phone, keys & other personal items regularly.
8. Maintain cough / sneeze etiquette.
9. Do not smoke or vape near others.
10. Contactless payments preferable .

Distance Yourself

Hotel public spaces,

we would ask guests to Keep your distance & Minimise unnecessary contact with other guests

- **Maintain a physical distance** of at least 2 meters between you and other guests outside of your immediate group / household.
- **Do not share tables** with other guests that are not part of your traveling Group or Household
- **A Maximum of 4 persons** per table is permitted in all public areas.
- **Families traveling with children**, Children will have to remain seated with parents/guardian at all times & cannot be in any part of the hotel unaccompanied at any time.
- **Please pre-book** your time for breakfast or dining

Please maintain physical distancing

Its nothing personal, but we ask you to keep a 2m distance .

Distance
Yourself

- **2 meter distance signage** has been installed through out the hotel
- **Avoid using lifts** where possible. If you do need to use hotel lifts please observe the hotel's lift etiquette and only use lifts with members of your own household.
- We have **limited the capacity** by removing tables and chairs in all areas of the Hotel to allow for at least 2 meters between tables and avoid over crowding
- A maximum number of **4 people per table** will be permitted
- Avoid the use of public toilets where possible
- **Table service only** will be offered in the hotel at all times
- Guests are asked to **remain seated** for the duration of their time in public areas
- **Smoking is prohibited** in all areas / A no smoking perimeter of 10 meters is in place outside of the hotel main entrance.

Use of Personal protection equipment (PPE)

We don't want to hide our faces but we do need to protect you and ourselves from any potential cross contamination or spread of the coronavirus.

- Housekeeping teams are **equipped and trained** to use PPE
- Front of house team will wear appropriate PPE when required
- **Hand sanitization stations** at entry to hotel reception and throughout the hotel public areas
- **Sanitization** products are in use throughout the hotel.
- All guests are asked to **wash hands or use hand sanitizer frequently**
-

Enhanced Cleaning & Sanitization in Hotel Lobby and Public areas.

Alcohol Gel

Sanitise Surfaces

- **A dedicated team** cleaning has been appointed to clean and sanitize public areas and high traffic areas at designated times each day
- Advanced cleaning programmes and additional cleaning is in place in our **Back of House Areas**.
- **Certified products** are in use to clean and sanitize all touch points, door handles, worktops, lift buttons and counter tops.
- A rigorous **hand hygiene programme** is in place and must be followed by all staff members
- **Hand sanitization points** have been installed at entry to and throughout the hotel lobby & reception area.
- Disposable paper towels are now in use in public toilets

Enhanced Cleaning & Sanitization Programme in Guest Bedrooms

Alcohol Gel

Sanitise Surfaces

- **Certified Sanitization products** have been used to clean
 - Telephone
 - TV Remote control
 - Light and Air Conditioning switches
 - Work tops and surfaces
 - Door handles and door lock
 - Taps, Shower unit and toilet flushers
- Cups and glasses have been replaced with paper or plastic glasses
- Soft furnishings including throws & cushions have been removed
- Housekeeping staff are wearing PPE where required
- All additional print information has been removed
- All bed linen has been washed at >65 degrees
- To avoid unnecessary contact in your room by our team members, your room will be serviced on departure only (rooms can of course be serviced on request)
- Additional items may be requested and will be placed in your room when you are away from the room
